Re: The SCO Group v. IBM

Dear Peter:

In response to your letter dated June 11 in which you refuse to provide contact information for witnesses identified by IBM in its April 19 disclosure, please note that we are not asking for any SCO employees. Moreover, SCO is only asking for contact information that IBM has for the identified witnesses. If IBM has in its possession this information and SCO does not, then your statement that it is just as easy for SCO to get this information is incorrect. Thus, please let me know by the end of the day on June 16 whether IBM will be providing the contact information for the people identified on my earlier attachment for whom IBM has the relevant information.

If IBM refuses to provide contact information that IBM possesses, then we will have no choice but to bring this matter before Judge Wells. We hope such action is unnecessary. Thank you for your prompt attention to this matter.

Very truly yours,

Mark J. Heise
