**RE: ENQUIRY IN RESPECT OF CERTIFICATE OF REGISTRATION OF  
DESIGN RD 8489 – KONYIN KEYBOARD**

Sequel to your enquiry on the above subject matter and our subsequent investigations, it was revealed that the said Design was filed and duly registered but noted that there is no evidence of the extension of the Design in the Registry's record.

By this development, the Registry is surprised that a certificate of Extension of Design could be obtained without proper proof of records in the Registry, and can only conclude that the certificate of extension of Design does not exist.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Chinyerr Agbai'.
