**License Summary**  
License Agreement G150-2183, dated July 1, 1992  
Licensing MS-DOS Version 5.0, MS-Shell Version 5.0 and MS-Windows Version 3.1  
with  
**VOBIS MICROCOMPUTER AG**

With this License Agreement, Vobis Microcomputer is cancelling their former contract G150-0271 and implementing this new license agreement and its terms and conditions. Vobis has changed their annual commitment level from 200K units per year for MS-DOS and 100K for Windows, to 400K units of MS-DOS and 320K units of Windows per year. In addition, they will now be pre-installing both MS-DOS and Windows and they made a commitment for an additional 1 year beyond their original contract expiration date which makes this a one and a half year contract with the expiration date of December 31st, 1993.

Instead of reducing their royalty rates for the increased commitment level, it was left at the same price since they already have a below standard guideline price. They do however pay the same price for all language versions. This is different from the last contract because in that agreement, they actually paid \$7.82 for MS-DOS English Version and \$13.05 for Windows English Version. With this new contract there is just one price for all versions. In addition, they have committed in a separate one year contract for 100K units of Works for Windows Version 2.0, 80K units of PC-Works Version 2.0 and 40K units of Entertainment Pack Vol.1 Version 1.0. Vobis will no longer be licensing OS/2.

Most significant to note about this new contract is that there is a lot of additional provisions since they will be implementing a new distribution procedure for software. Basically they are no longer going to be distributing software diskettes. Instead, they will be pre-installing all software on the hard drive and handing out the manual and license agreement and registration card in a carrying box. If the customer wants to have diskettes as a backup they may have them at the point-of-sale for an approximately DM20.00. The hope is that with this procedure that it will save them the cost of goods for the diskettes and discourage unbundling of software. Another procedure they will be doing is pre-installing ALL software on the hard drives and then physically deleting the products that are not to be licensed to the customer. Microsoft will review and give approval for this procedure and make sure that there is no abuse of this process. It will be under a trial period with Vobis.

Provisions placed in this contract were:

Standard:

- Pre-installation on the named systems (With the exception of the diskless Colani machine. This is because there is no hard drive with the Colani 386 machine. In those cases, the software disks and manuals will be packed in with the hardware itself).
- Separated set-up diskettes if software disks are distributed.
- Disk labels and manuals printed with message that it is to be sold in conjunction with hardware only.
- Product update registration card to be included. (Vobis no longer has Update business).
- Serialization and tracking procedures required.

Non-Standard:

- Rights to audit the printer owned by Theo Lieven, President of Vobis Microcomputer AG.
- Because Vobis is trying a new distribution method of pre-installing all products on their hard drives for the computers sold in German-speaking countries, we have included language requiring them to have MS approval of the method and that it have the equivalent functionality of the Wipefile program from Norton Utilities. We also retain the rights to tell Vobis to cease pre-loading the MS-software if we are not satisfied with the effectiveness of this new distribution method.
- We have language allowing us the right to have access to all of their point-of-sale receipts and that on those receipts that their customer's name, address, configuration data must be included on these receipts. Basically, we have access to their entire customer database and are only restricted in that we do not share the information with other companies.
- Mandatory approval necessary for any software packaging design before distribution of a MS-product.

- (b) COMPANY's license shall extend to, and each Product shall be deemed to include, any Update Releases and Version Releases that COMPANY accepts under Section 4 and elects to distribute under this Agreement. The per copy or per system royalties for new Version Releases may be increased in accordance with the applicable Exhibit C. COMPANY's license hereunder shall not extend to Product Releases.
- (c) MS further grants COMPANY the right to modify, reproduce, publish and sell the Product documentation as a component of the Product, provided that COMPANY's modifications shall not render the Product documentation incomplete or inaccurate. COMPANY will make certain that any taxes withheld are minimized to the extent possible under applicable law. Prices stated are exclusive of any federal, state, municipal or other governmental taxes, duties, licenses, fees, excises or tariffs now or hereafter imposed on COMPANY's production, storage, licensing, sale, transportation, import, export or use of a Product. #### 4. ACCEPTANCE AND WARRANTY

- (a) Within thirty (30) days after the later of COMPANY's execution of this Agreement or MS' delivery to COMPANY of each Product licensed hereunder, COMPANY shall either accept such Product or report deviations from specifications in writing. COMPANY is not required to accept or reject test versions of a Product (e.g., Alpha or Beta test versions). Conformance to specifications as referenced in the applicable Exhibit C shall solely determine acceptability. If COMPANY does not report deviations from Product specifications within the thirty (30) day period, or if COMPANY ships the Product to a customer for revenue, COMPANY shall be deemed to have accepted the Product.
- (b) If COMPANY reports any deviations from Product specifications prior to acceptance then MS shall have sixty (60) days to correct such deviations. Upon delivery of a corrected release of Product to COMPANY, COMPANY shall have thirty (30) days in which to re-evaluate the corrected release for conformance to specifications as provided in Section 4(a). If any deviations from specifications reported before acceptance are not eliminated in the sixty (60) day correction period, then as COMPANY's sole remedy: (i) the Product may be retained at an equitable adjustment in price as may be agreed by the parties; (ii) the correction period may be extended as may be agreed by the parties; or, (iii) failing any agreement, COMPANY may reject the Product, and provided that COMPANY has rejected the first version of each released Product licensed under this Agreement, then COMPANY shall be entitled to a refund of one hundred percent (100%) of the payment due on signing as specified in Exhibit B and this Agreement shall immediately terminate. COMPANY shall not have the right to a refund of prepaid royalties, or to terminate this Agreement, if it has accepted any release of any Product under this Agreement.
- (c) MS represents that each Product meets the specifications referenced in the applicable Exhibit C. If COMPANY reports any deviations from specifications in a Product following acceptance and during the term of this Agreement, then as COMPANY's sole remedy MS agrees to use reasonable efforts to correct such deviations. COMPANY's notice of any deviations from Product specifications shall be made using the TAP system in accordance with the notice provisions of Section 15. MS' obligations under this Section 4(c) as to a particular release of a Product shall cease ninety (90) days after delivery to COMPANY of an Update Release or Version Release with a higher version number which conforms to specifications as provided in Section 4(a).

HIGHLY  
CONFIDENTIAL

- (d) If any Product licensed hereunder has not yet been released by MS, MS shall have no liability for failure to deliver such Product by any particular date or within the term of this Agreement. COMPANY shall not distribute for revenue any release of a Product until MS gives its written approval of such distribution by its OEMs generally or upon receipt by COMPANY of a final OEM Adaptation kit from MS.
- (e) Except as expressly provided, this Agreement does not include technical support. Such support may be available separately pursuant to Microsoft's OnLine agreement, for which a separate fee is charged. Notwithstanding the foregoing, technical support may be available from an MS subsidiary.

#### 5. INDEMNIFICATION FOR INFRINGEMENT

- (a) MS represents and warrants that:
  - (i) the Products do not infringe upon any copyright enforceable under the laws of any country listed in Section 5(d); and
  - (ii) the Products do not violate the trade secret rights of a third party.

MS agrees to indemnify, hold harmless, and defend COMPANY from and against any and all damages, costs, and expenses, including reasonable attorneys' fees, incurred in connection with a claim which, if true, would constitute a breach of the foregoing warranties (hereinafter "Infringement Claims"); provided MS is notified promptly in writing of an Infringement Claim and has sole control over its defense or settlement, and COMPANY provides reasonable assistance in the defense of the same.

- (b) Following notice of an Infringement Claim, MS may at its expense, without obligation to do so, procure for COMPANY the right to continue to market, use and have others use, the alleged infringing Product or, without obligation to do so, may replace or modify the Product to make it non-infringing. If MS elects to replace or modify the Product, such replacement shall meet substantially the specifications as provided or referenced in the applicable Exhibit C and shall be subject to the acceptance provisions of Section 4(c).
- (c) MS shall have no liability for any Infringement Claim based on COMPANY's (i) use or distribution of any Product after MS' notice that COMPANY should cease use or distribution of such Product due to an Infringement Claim, or (ii) combination of a Product with a non-MS program or data, if such Infringement Claim would have been avoided by the exclusive use of the Product. For all Infringement Claims arising under this Section 5(c), COMPANY agrees to indemnify and defend MS from and against all damages, costs and expenses, including reasonable attorneys' fees.
- (d) MS shall have no obligation to COMPANY for any Infringement Claims made against COMPANY which arise from the use or distribution of a Product outside the geographical boundaries of the United States, Canada, Australia, Japan, France, Germany, the Netherlands, the United Kingdom, Italy and Sweden, and COMPANY hereby releases and discharges MS from any and all Infringement Claims resulting from such use.

#### 6. LICENSE RESTRICTIONS

In the event COMPANY elects to install Product on the Customer System hard disk or Read Only Memory, COMPANY may provide a single copy of Product on diskette(s) to the end-user for use as a back-up copy.

12. LIMITATION OF LIABILITY AND REMEDY

- (a) MS' liability to COMPANY under any provision of this Agreement, including Section 5, or any transaction contemplated by this Agreement shall be limited to one hundred percent (100%) of the amount having then actually been paid by COMPANY to MS under Section 3. MS' limitation of liability is cumulative with all MS' expenditures being aggregated to determine satisfaction of the limit. The existence of claims or suits against more than one Product licensed under this Agreement will not enlarge or extend the limit. COMPANY releases MS from all obligations, liability, claims or demands in excess of the limitation. The parties acknowledge that other parts of this Agreement rely upon the inclusion of this Section 12.
- (b) The rights and remedies granted to COMPANY under Sections 4 and 5 constitute COMPANY's sole and exclusive remedy against MS, its officers, agents and employees for negligence, inexcusable delay, breach of warranty, express or implied, or for any default whatsoever relating to the condition of the Product or MS' duties to correct any deviations from specifications.
- (c) As partial consideration for the rights granted to COMPANY herein, COMPANY hereby grants MS and its licensees (including without limitation OEM customers and end users) a non-exclusive, paid-up, royalty-free worldwide license (including the right to sublicense) under all COMPANY patent(s) (other than design patents or the equivalent) that cover any Product(s) (including Upgrade Release(s) and Version Release(s)) licensed by COMPANY during the term of this Agreement, including any extensions or renewals hereof.
  - (i) This license shall apply to any COMPANY Patent in which COMPANY has or acquires sufficient rights to grant the foregoing license during the term of this Agreement, including any extensions or renewals hereof.
  - (ii) The foregoing license shall apply only to COMPANY Patents that cover the Product(s) licensed hereunder (including Upgrade Release(s) and Version Release(s)), and which are carried forward to future releases of the Product(s) and replacement(s) and successor(s) thereof.
  - (iii) Each such Patent license shall expire two (2) years following written notice of its termination to MS, which notice shall specify the COMPANY Patent involved.
  - (iv) This subsection 12(c) shall survive termination or expiration of this Agreement, and shall be binding upon any successors or assigns of COMPANY.
- (d) SECTIONS 4 AND 5 CONTAIN THE ONLY WARRANTIES MADE BY MS. ANY AND ALL OTHER WARRANTIES OF ANY KIND WHATSOEVER, INCLUDING THOSE FOR MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY EXCLUDED. COMPANY AGREES MS SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, ECONOMIC OR PUNITIVE DAMAGES EVEN IF MS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

13. NONDISCLOSURE AGREEMENT

COMPANY expressly undertakes to retain in confidence and to require its distributors to retain in confidence all information and know how transmitted to COMPANY by MS that MS has identified as being proprietary and/or confidential or that, by the nature of the circumstances surrounding the disclosure, ought in good faith to be treated as proprietary and/or confidential, and will make no use of such information and know-how except under the terms and during the existence of this Agreement. However, COMPANY shall have no obligation to maintain the confidentiality of information that (i) it received rightfully from another party prior to its receipt from MS; (ii) MS has disclosed to a third party without any obligation to maintain such information in confidence; or (iii) is independently developed by COMPANY. Further, COMPANY may disclose confidential information as required by governmental or judicial order, provided COMPANY gives MS prompt notice of such order and complies with any

HIGHLY

protective order (or equivalent) imposed on such disclosure. COMPANY shall treat all Product adaptation materials (including source code) as confidential information and shall not disclose, disseminate or distribute such materials to any third party without MS' prior written permission. COMPANY shall treat the terms and conditions of this Agreement as confidential; however, COMPANY may disclose such information in confidence to its immediate legal and financial consultants as required in the ordinary course of COMPANY's business. COMPANY's obligation under this Section 13 shall extend to the earlier of such time as the information protected hereby is in the public domain through no fault of COMPANY or ten (10) years following termination or expiration of this Agreement.

#### 14. AUDITS

- (a) During the term of this Agreement, COMPANY agrees to keep all usual and proper records and books of account and all usual and proper entries relating to each Product licensed.
- (b) MS may cause an audit to be made of the applicable records in order to verify statements issued by COMPANY and prompt adjustment shall be made to compensate for any errors or omissions disclosed by such audit. - (a) Any Product which COMPANY licenses or acquires under this Agreement for or on behalf of the United States of America, its agencies and/or instrumentalities ("the Government"), is provided to COMPANY with RESTRICTED RIGHTS. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 or as set forth in the particular department or agency regulations or rules which provide MS protection equivalent to or greater than the above-cited clause. COMPANY shall comply with any requirements of the Government to obtain such RESTRICTED RIGHTS protection, including without limitation, the placement of any restrictive legends on the Product software, Product documentation, and any license agreement used in connection with the distribution of the product. Manufacturer is Microsoft Corporation, One Microsoft Way, Redmond, WA 98052-6399, U.S.A. Under no circumstances shall MS be obligated to comply with any Governmental requirements regarding the submission of or the request for exemption from submission of cost or pricing data or cost accounting requirements. For any distribution or license of the Product that would require compliance by MS with Governmental requirements relating to cost or pricing data or cost accounting requirements, COMPANY must obtain an appropriate waiver or exemption from such requirements for the benefit of MS from the appropriate Governmental authority before the distribution and/or license of the Product to the Government.
- (b) COMPANY agrees that neither it nor its customers intends to or will, directly or indirectly, export or transmit (i) any Product or related documentation and technical data or (ii) any product (or any part thereof), process, or service that is the direct product of a Product, to the People's Republic of China, Afghanistan, or any group Q, S, W, Y, or Z country specified in Supplement No. 1 of Section 770 of the Export Administration Regulations or to any other country to which such export or transmission is restricted by an applicable order, regulation, or statute, without the prior written consent, if required, of the Office of Export Administration of the U.S. Department of Commerce, or such other governmental entity as may have jurisdiction over such export or transmission.
- (c) This Agreement does not constitute an offer by MS and it shall not be effective until signed by both parties. Upon execution by both parties, this Agreement shall constitute the entire agreement between the parties with respect to the subject matter hereof and merges all prior and contemporaneous communications. It shall not be modified except by a written agreement signed on behalf of COMPANY and MS by their respective duly authorized representatives. Unless agreed to in a separate writing signed by both parties, any statement appearing as a restrictive endorsement on a check or other document which purports to modify a right, obligation or liability of either party shall be of no force and effect.
- (d) If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid or unenforceable, the remaining provisions shall remain in full force and effect. If this Agreement as it relates to any Product(s) licensed hereunder shall be held by a court of competent jurisdiction to be invalid, illegal or unenforceable or if this Agreement is terminated as to particular Product(s), this Agreement shall remain in full force and effect as to the remaining Product(s).

ADDITIONAL PROVISIONS:

COMPANY agrees to the following provisions to reduce piracy and avoid confusion with the retail product:

(b) MS warrants that the Product furnished hereunder will, at the time of shipment, be free from defects in materials and will conform to MS' applicable standard written specification. COMPANY's remedy and MS' obligation under this limited warranty shall be limited to, at MS' election, return of the Product for credit to COMPANY's account or replacement of any defective Product. (iii) after examination, MS determines to its satisfaction that the products are non conforming. Any replacement shall not extend the original warranty period. This limited warranty shall not apply to Product which MS determines has been subject to misuse, neglect, improper installation, repair, alteration, or damage either by COMPANY or another.

(c) Product may be returned only in the event of a breach of the above limited warranty. No other returns or exchanges will be allowed for any other reason.

(d) Neither the COMPANY nor any of its employees shall have any right to make any other representation, warranty, or promise, or give any instructions for the use of Product not contained on the Product label or container or authorized in writing by MS. LICENSE RESTRICTIONS:

Notwithstanding the provisions of Section 2 of the Agreement, with respect to the Product described in this Exhibit C:

(a) MS grants to COMPANY the non-exclusive right to distribute the Product directly or indirectly to end users, subject to the restrictions in this Exhibit C. All rights not expressly granted are reserved by MS. COMPANY shall not alter or customize the Product except as expressly permitted herein. COMPANY is not authorized to nor shall COMPANY manufacture, modify, copy, or duplicate Product except as set forth in Section (d) below.

Except as provided in this Section (d), COMPANY may not reproduce the Product in any other form. In the event COMPANY preinstalls Product on the Customer System hard disk, it shall nevertheless provide a copy of the full packaged Product along with that Customer System pursuant to Section (c) above.

(e) COMPANY agrees that it shall not distribute unauthorized copies including, but not limited to, piratical or copies of MS Product(s) from a source other than MS or an Authorized Replicator.

Amendment No. 3  
to the License Agreement Between  
VOBIS MICROCOMPUTER AG and MICROSOFT CORPORATION  
Dated July 1, 1992, Contract No. G150-2183

This Amendment ("Amendment") to the License Agreement ("Agreement") between MICROSOFT CORPORATION ("MS") and VOBIS MICROCOMPUTER AG ("COMPANY") dated July 1, 1992, is made and entered into this 1st day of April, 1993

I. The following provisions shall amend or modify the corresponding provisions of the Agreement with respect to Product licensed in Exhibits C9 through C10 of this Amendment only, but shall not modify or amend such provisions with respect to other Products.

1. DEFINITIONS.

(d) "Product" or "Products" shall mean the copyrighted and/or patented MS software products described in the attached Exhibit(s) C (including MED Product and Product acquired for Authorized Replicator), including where applicable the specified user documentation. "Product software" or "Product documentation" shall mean the software or documentation components of the Product.

(h) "MED Product" shall mean Product in "Easy Distribution Package" form available for purchase from an Authorized Distributor.

(i) "Authorized Replicator" shall mean a third party approved by MS which may reproduce and manufacture Product for COMPANY. MS shall provide COMPANY with a list of Authorized Replicators and shall notify COMPANY at least thirty (30) days in advance of any additions or deletions from this list.

(j) "Authorized Distributor" shall mean a third party approved by MS from which COMPANY may purchase MED Product. MS shall provide COMPANY with a list of Authorized Distributors and shall notify COMPANY at least thirty (30) days in advance of any additions or deletions from this list.

[Sections 1(a), 1(b), 1(c), 1(e), 1(f) and 1(g) - no change]

2. LICENSE GRANT.

(a) MS grants to COMPANY the following non-exclusive, worldwide license rights:

(i) to reproduce and install no more than one (1) copy of Product software on each Customer System hard disk or Read Only Memory ("ROM");

(ii) to distribute directly or indirectly and license copies of the Product (reproduced as per Section 2(a)(i) and/or acquired from Authorized Replicator or Authorized Distributor) in object code form to end users; and

(iii) to grant to COMPANY Subsidiaries (as "subsidiary" defined in Section 1(a)) all rights granted to COMPANY herein (except that COMPANY Subsidiaries may not further grant rights to third parties).

Such license rights are subject to the restrictions and conditions in this Agreement, and in particular in Section 6.

(b) Except as necessary to install Product software, as permitted under Section 2(a)(i), COMPANY may not reproduce Product. Product software (in diskette form) and Product documentation (in hard copy form) shall be available to COMPANY only from an Authorized Distributor and/or Authorized Replicator.

(c) COMPANY acknowledges that MS may require Authorized Distributor and/or Authorized Replicator to refuse to fill COMPANY's orders if COMPANY fails to comply with any provision of this Agreement.

(d) COMPANY shall not modify or substitute Product documentation without MS' prior written permission. However, COMPANY, at its option, may distribute supplemental Product documentation in conjunction with the Product, provided that COMPANY's supplemental documentation is consistent with Product documentation provided by MS.

(e) COMPANY's license shall extend to, and each Product shall be deemed to include, any Update Releases and Version Releases that COMPANY accepts under Section 4 and elects to distribute under this Agreement. Royalties for new Version Releases may be increased in accordance with the applicable Exhibit C. COMPANY's license hereunder shall not extend to Product Releases.

(f) COMPANY's rights hereunder shall not extend to Product source code unless Exhibit S1 is attached and executed.

(g) All rights not expressly granted, including without limitation translation rights, are reserved by MS.

(h) MS agrees to negotiate in good faith with COMPANY to license Product Releases and other products not available to COMPANY under this Agreement at MS' then applicable price(s), terms and conditions.

### 3. PRICE AND PAYMENT.

(a) COMPANY agrees to pay MS the amount(s) and within the times stated in this Section 3, Exhibit B and Exhibit(s) C. COMPANY's obligation to pay such amounts is unconditional except as is otherwise expressly stated to the contrary herein.

(b) Prices stated are exclusive of any federal, state, municipal or other governmental taxes (including foreign tax withholding except as provided in Section 3(b)(ii)), duties, licenses, fees, excises or tariffs now or hereafter imposed on COMPANY's or COMPANY Subsidiaries' production, storage, licensing, sale, transportation, import, export or use of a Product or on any intercompany charges between COMPANY and COMPANY Subsidiaries. Such charges shall be paid by COMPANY, or in lieu thereof, COMPANY shall provide a resale or exemption certificate acceptable to MS and the applicable domestic state and local authorities. MS, however, shall be responsible for all taxes based upon its personal property ownership and gross or net income.

(c) In the event COMPANY is based outside the US and income taxes are required to be withheld by any foreign government on payments required hereunder, on such withholding taxes as will enable MS to claim and receive a U.S. Foreign Tax Credit, COMPANY may deduct such taxes from the amount owed MS and pay them to the appropriate tax authority; provided, however, that COMPANY shall promptly secure and deliver to MS an official receipt for any such taxes withheld or other documents necessary to enable MS to claim a U.S. Foreign Tax Credit. COMPANY will make certain that any taxes withheld are minimized to the extent possible under applicable law.

(d) Except where otherwise provided, COMPANY agrees to make consolidated (i.e. on behalf of COMPANY and COMPANY Subsidiaries which exercise rights under this Agreement) quarterly reports and payments to MS within thirty (30) days after the end of each calendar quarter, and thirty (30) days after termination or expiration for the final full or partial quarter. COMPANY's quarterly report shall provide the information described in the applicable Exhibit C for each Product licensed hereunder, and shall be signed by a duly authorized representative of COMPANY. COMPANY shall submit quarterly reports even if no royalties or other amounts are due for such quarter. COMPANY shall use the royalty reporting form attached as Exhibit R or other form as MS may provide from time to time. A finance charge of one and one-half percent (1-1/2%) per month will be assessed on all amounts that are past due, including receipts for foreign taxes withheld.

(e) No royalty shall accrue to MS for copies of a Product (i) used by COMPANY solely for testing systems; (ii) shipped as replacement copies for copies found to be defective in materials, manufacture, or reproduction; (iii) used for demonstrations to prospective customers, such demonstration copies not to exceed one hundred (100) copies; or (iv) provided as back-up copies to end users by COMPANY under Section 6(d).

(g) If COMPANY is a US based company, payments and royalty reports shall be made to:

MICROSOFT CORPORATION  
P.O. Box 84808  
Seattle, WA 98124-6108

If COMPANY is based outside the US, COMPANY agrees to make such payments and royalty reports as follows:

#### 4. ACCEPTANCE AND LIMITED WARRANTY.

(a) With respect to Product Deliverables defined on the applicable Exhibit C provided to COMPANY by MS:

(i) Within thirty (30) days after the later of COMPANY's execution of this Agreement or MS' delivery to COMPANY of each Product licensed hereunder, COMPANY shall either accept such Product or report deviations from specifications in writing. COMPANY is not required to accept or reject test versions of a Product (e.g., Alpha or Beta test versions). Conformance to specifications as referenced in the applicable Exhibit C shall solely determine acceptability. If COMPANY does not report deviations from Product specifications within the thirty (30) day period, or if COMPANY ships the Product to a customer for revenue, COMPANY shall be deemed to have accepted the Product.

(ii) If COMPANY reports any deviations from Product specifications prior to acceptance, then MS shall have sixty (60) days to correct such deviations. Upon delivery of a corrected release of Product to COMPANY, COMPANY shall have thirty (30) days in which to re-evaluate the corrected release for conformance to specifications as provided in Section 4(a). If any deviations from specifications reported before acceptance are not eliminated in the sixty (60) day correction period, then as COMPANY's sole remedy (A) the Product may be retained at an equitable adjustment in price as may be agreed by the parties, or (B) the correction period may be extended as may be agreed by the parties, or (C) failing any agreement, COMPANY may reject the Product, and provided that COMPANY has rejected the first version of each released Product licensed under this Agreement, then COMPANY shall be entitled to a refund of one hundred percent (100%) of the payment due on signing as specified in Exhibit B and this Agreement shall immediately terminate. COMPANY shall not have the right to a refund of prepaid royalties, or to terminate this Agreement, if it has accepted any release of any Product under this Agreement.

(iii) MS represents that each Product meets the specifications referenced in the applicable Exhibit C. If COMPANY reports any deviations from specifications in a Product following acceptance and during the term of this Agreement, then as COMPANY's sole remedy MS agrees to use reasonable efforts to correct such deviations.

COMPANY's notice of any deviations from Product specifications shall be made using the OnLine system or the notice provisions of Section 15. MS' obligations under this Section (iii) as to a particular release of a Product shall cease ninety (90) days after delivery to COMPANY of any subsequent release of Product which conforms to specifications as provided in Section 4(a).

(b) Authorized Distributor and/or Authorized Replicator, as applicable, shall provide warranty(ies), if any, for copies of Product provided to COMPANY by such Authorized Distributor and/or Authorized Replicator.

(c) If any Product licensed hereunder has not yet been released by MS, MS shall have no liability for failure to deliver such Product by any particular date or within the term of this Agreement. COMPANY shall not distribute for revenue any release of a Product until MS gives its written approval of such distribution by its OEMs generally.

(d) Except as expressly provided, this Agreement does not include technical support to COMPANY. Such support may be available pursuant to a separate agreement.

5. [no change]

#### 6. LICENSE RESTRICTIONS.

(a) COMPANY shall market, distribute and license Product(s) only with those Customer System(s) listed on Exhibit C for the particular Product(s) and only inside the Customer System package. In addition to Product software installed on a Customer System, COMPANY may distribute only one copy of Product with each such Customer System. COMPANY shall also comply with the additional provisions, if any, provided in Exhibit(s) C with respect to Product distribution. COMPANY shall contractually obligate (e.g. by contract, invoice or other written instrument) its distributors, dealers and others in its distribution channels to comply with the foregoing. COMPANY agrees that it will discontinue distribution of Product to any such distributor, dealer or other in its distribution channel which does not comply with the foregoing.

(b) COMPANY shall not reverse engineer, decompile or disassemble any Product, except that in the European Economic Community, COMPANY shall have the limited right to decompile the Product solely to the extent permitted by the terms and conditions of Article 6 of the European Community's Directive for the Legal Protection of Computer Programs, OJL 122/42 (17 May 1991).

(c) COMPANY shall distribute and license the use of Product to end users only pursuant to its end user license agreement ("EULA"). COMPANY's EULA may be a "break-the-seal" end user license agreement or a signed end user license agreement. COMPANY's EULA shall conform substantially to the Sample License Agreement attached as Exhibit A, except that it shall be adapted as commercially reasonable for any foreign jurisdiction in which COMPANY markets or distributes the Product.

(d) Where Product software is installed on the Customer System's hard disk or ROM, COMPANY shall:

(i) package the Product so that a notice placed over either the Customer System power switch in the "off" position or the power inlet connector informs the end user that turning on the Customer System indicates acceptance of the terms of the EULA; and

(ii) either (A) provide, in accordance with Section 6(a) above, a single copy of Product documentation with each Customer System; or (B) make the Product documentation available directly to COMPANY's end user purchasers as a mail order fulfillment item. Such Product documentation shall not be available through any other COMPANY distribution channel.

(e) COMPANY shall market each release of Product only under the version number assigned by MS to such release.

(f) COMPANY shall provide to its end user customers commercially reasonable access to Product technical assistance and shall prominently display its customer support telephone number in Customer System documentation and on each copy of Product package.

(g) COMPANY agrees to include an MS Product registration card in COMPANY's Customer System package for those COMPANY Customer Systems on which COMPANY installs Product on the hard drive or in ROM. MS agrees to negotiate in good faith with COMPANY a mechanism by which COMPANY can receive a listing of COMPANY's end users who have registered with MS. COMPANY must obtain the appropriate registration card from Authorized Replicator.

7. [Sections 7 to 19 - no change]

II. The attached Exhibit C9 for MS-DOS 6 shall be added to the Agreement.

III. The attached Exhibit C10 for Enhanced Tools for MS-DOS 6 shall be added to the Agreement.

IV. If the term of the Agreement extends beyond June 30, 1993, COMPANY's rights to distribute all versions of MS-DOS and MS-DOS Shell, if applicable, prior to versions numbered less than Version 6.0 shall cease effective July 1, 1993. From the date of this Amendment through June 30, 1993, COMPANY may ship a single copy of either MS-DOS 6 (and/or Enhanced Tools for MS-DOS, if licensed) or an earlier version of MS-DOS (and/or MS-DOS Shell, if licensed), but not both, with each Customer System.

V. Except as provided herein, all terms of the Agreement shall remain in full force and effect. In the event of inconsistencies between the Agreement and this Amendment, the terms and conditions of the Amendment shall be controlling.
