(iii) to grant to COMPANY Subsidiaries all rights granted to COMPANY in Sections 2(a)(i) and 2(a)(ii).

(b) Except as necessary to install Product software, as permitted under Section 2(a)(i), COMPANY may not reproduce Product. Product software (in diskette form) and Product documentation (in hard copy form) shall be available to COMPANY only from an Authorized Distributor and/or Authorized Replicator.

(c) COMPANY acknowledges that MS may require Authorized Distributor and/or Authorized Replicator to refuse to fill COMPANY's orders if COMPANY fails to comply with any provision of this Agreement.

(d) COMPANY shall not modify or substitute Product documentation without MS' prior written permission. However, COMPANY, at its option, may distribute supplemental Product documentation in conjunction with the Product, provided that COMPANY's supplemental documentation is consistent with Product documentation provided by MS.

(e) COMPANY's license shall extend to, and each Product shall be deemed to include, any Update Releases and Version Releases that COMPANY accepts under Section 4 and elects to distribute under this Agreement. Royalties for new Version Releases may be increased in accordance with the applicable Exhibit C. COMPANY's license hereunder shall not extend to Product Releases.

(g) All rights not expressly granted, including without limitation translation rights, are reserved by MS.

(h) MS agrees to negotiate in good faith with COMPANY to license Product Releases and other products not available to COMPANY under this Agreement at MS' then applicable price(s), terms and conditions.

3. PRICE AND PAYMENT

(a) COMPANY agrees to pay MS the amount(s) and within the times stated in this Section 3,

MS-PCA 2558830

Exhibit B and Exhibit(s) C. COMPANY's obligation to pay such amounts is unconditional except as is otherwise expressly stated to the contrary herein.

(b) Prices stated are exclusive of any federal, state, municipal or other governmental taxes (including foreign tax withholding except as provided in Section 3(c)), duties, licenses, fees, excises or tariffs now or hereafter imposed on COMPANY's or COMPANY Subsidiaries' production, storage, licensing, sale, transportation, import, export or use of a Product or on any intercompany charges between COMPANY and COMPANY Subsidiaries. Such charges shall be paid by COMPANY, or in lieu thereof, COMPANY shall provide a resale or exemption certificate acceptable to MS and the applicable domestic state and local authorities. MS, however, shall be responsible for all taxes based upon its personal property ownership and gross or net income.

(c) In the event COMPANY is based outside the US and income taxes are required to be withheld by any foreign government on payments required hereunder, on such withholding taxes as will enable MS to claim and receive a U.S. Foreign Tax Credit, COMPANY may deduct such taxes from the amount owed MS and pay them to the appropriate tax authority; provided, however, that COMPANY shall promptly secure and deliver to MS an official receipt for any such taxes withheld or other documents necessary to enable MS to claim a U.S. Foreign Tax Credit. COMPANY will make certain that any taxes withheld are minimized to the extent possible under applicable law.

(d) Except where otherwise provided, COMPANY agrees to make consolidated (i.e. on behalf of COMPANY and COMPANY Subsidiaries which exercise rights under this Agreement) quarterly reports and payments to MS within thirty (30) days after the end of each calendar quarter, and thirty (30) days after termination or expiration for the final full or partial quarter. COMPANY's quarterly report shall provide the information described in the applicable Exhibit C for each Product licensed hereunder, and shall be signed by a duly authorized representative of COMPANY. COMPANY shall submit quarterly reports even if no royalties or other amounts are due for such quarter. COMPANY shall use the royalty reporting form attached as Exhibit R or other form as MS may provide from time to time. A finance charge of one and one-half percent (1-1/2%) per month will be assessed on all amounts that are past due, including receipts for foreign taxes withheld.

(e) No royalty shall accrue to MS for Product (i) used by COMPANY solely for testing systems; (ii) shupped as replacement copies for copies found to be defective in materials, manufacture, or reproduction: (iii) used for demonstrations to prospective customers, provided such demonstration copies shall be clearly marked "For Demonstration Purposes Only" and shall not to exceed one hundred (100) copies per Product; or (iv) provided as back-up copies to end users by COMPANY under Section 6(d). COMPANY shall pay any applicable charges from the Authorized Distributor or Authorized Replicator for such copies of Product.

(f) COMPANY shall provide MS with a copy of its US state resale exempt certificate, if applicable, with this Agreement when it is returned for signature by MS.

(g) If COMPANY is a US based company, payments and royaity reports shall be made to:

MICROSOFT CORPORATION P.O. Box 84808 Seantle, WA 98124-6108

If COMPANY is based outside the US, COMPANY agrees to make such payments and royalty reports as follows:

4. ACCEPTANCE AND LIMITED WARRANTY

(a) With respect to Product Deliverables defined on the applicable Exhibit C provided to COMPANY by MS:

(i) Within thirty (30) days after the later of COMPANY's execution of this Agreement or MS' delivery to COMPANY of each Product licensed hereunder, COMPANY shall either accept such Product or report deviations from specifications in writing. COMPANY is not required to accept or reject test versions of a Product (e.g., Alpha or Beta test versions). Conformance to specifications as referenced in the applicable Exhibit C shall solely determine acceptability. If COMPANY does not report deviations from Product specifications within the thirty (30) day period, or if COMPANY ships the Product to a customer for revenue, COMPANY shall be deemed to have accepted the Product.

(ii) If COMPANY reports any deviations from Product specifications prior to acceptance, then MS shall have sixty (60) days to correct such deviations. Upon delivery of a corrected release of Product to COMPANY, COMPANY shall have thirty (30) days in which to re-evaluate the corrected release for conformance to specifications as provided in Section 4(a). If any deviations from specifications reported before acceptance are not eliminated in the sixty (60) day correction period, then as COMPANY's sole remedy (A) the Product may be retained at an equitable adjustment in price as may be agreed by the parties, or (B) the correction period may be extended as may be agreed by the parties, or (C) failing any agreement, COMPANY may reject the Product, and provided that COMPANY has rejected the first version of each released Product licensed under this Agreement, then COMPANY shall be entitled to a refund of one hundred percent (100%) of the payment due on signing as specified in Exhibit B and this Agreement shall immediately terminate. COMPANY shall not have the right to a refund of prepaid royalties, or to terminate this Agreement, if it has accepted any release of any Product under this Agreement.

(iii) MS represents that each Product meets the specifications referenced in the applicable Exhibit C. If COMPANY reports any deviations from specifications in a Product following acceptance and during the term of this Agreement, then as COMPANY's sole remedy MS agrees to use reasonable efforts to correct such deviations. COMPANY's notice of any deviations from Product specifications shall be made using the OnLine system or the notice provisions of Section 15. MS' obligations under this Section (iii) as to a particular release of a Product shall cease ninety (90) days after delivery to COMPANY of any subsequent release of Product which conforms to specifications as provided in Section 4(a).

(b) Authorized Distributor and/or Authorized Replicator, as applicable, shall provide warranty(ies), if any, for copies of Product provided to COMPANY by such Authorized Distributor and/or Authorized Replicator.

(c) If any Product licensed hereunder has not yet been released by MS, MS shall have no liability for failure to deliver such Product by any particular date or within the term of this Agreement. COMPANY shall not distribute for revenue any release of a Product until MS gives its written approval of such distribution by its OEMs generally.

(d) Except as expressly provided, this Agreement does not include technical support to COMPANY. Such support may be available pursuant to a separate agreement.

6. LICENSE RESTRICTIONS

(a) COMPANY shall market, distribute and license Product(s) only with those Customer System(s) listed on Exhibit C for the particular Product(s) and only inside the Customer System package. COMPANY shall not remove or modify the Product package contents or Associated Product Materials as received from the Authorized Replicator or Authorized Distributor. In addition to Product software installed on a Customer System, COMPANY may distribute only one copy of Product with each such Customer System for use as a backup copy. COMPANY shall also comply with the additional provisions, if any, provided in Exhibit(s) C with respect to Product distribution. COMPANY shall contractually obligate (e.g. by contract, invoice or other written instrument) its distributors, dealers and others in its distribution channels to comply with the foregoing. COMPANY agrees that it will discontinue distribution of Product to any such distributor, dealer or other in its distribution channel which does not comply with the foregoing.

(b) COMPANY shall not reverse engineer, decompile or disassemble any Product, except that in the European Community, COMPANY shall have the limited right to decompile the Product solely to the extent permitted by the terms and conditions of Article 6 of the European Community's Directive for the Legal Protection of Computer Programs, OJL 122/42 (17 May 1991), and only in jurisdictions which have adopted the same terms and conditions by legislation implementing the Directive.

(c) COMPANY shall distribute and license the use of Product to end users only pursuant to its end user license agreement ("EULA"). COMPANY's EULA may be a "break-the-seal" end user license agreement or a signed end user license agreement. COMPANY's EULA shall conform substantially to the Sample License Agreement attached as Exhibit A, except that it shall be adapted as commercially reasonable for any foreign jurisdiction in which COMPANY markets or distributes the Product.

(d) Where Product software is installed on the Customer System's hard disk or ROM, COMPANY shall:

(i) package the Product so that a notice placed over either the Customer System power switch in the "off" position or the power inlet connector informs the end user that turning on the Customer System indicates acceptance of the terms of the EULA; and

(ii) either (A) include a single copy of Product documentation, as purchased from the Authorized Distributor or Authorized Replicator, in COMPANY's Customer System package; or (B) include an Associated Product Materials packet, as purchased from an Authorized Replicator, in COMPANY's Customer System package and make the Product documentation available to COMPANY's end user purchasers as a mail order fulfillment item directly from COMPANY. Product documentation shall not be available through any other COMPANY distribution channel.

(e) COMPANY shall market each release of Product only under the version number assigned by MS to such release.

(f) COMPANY shall provide to its end user customers commercially reasonable access to Product technical assistance and shall prominently display its customer support telephone number in Customer System documentation and on each copy of the Product package.

## 4. ACCEPTANCE AND LIMITED WARRANTY.

(a) With respect to Product Deliverables defined on the applicable Exhibit C provided to COMPANY by MS:

(i) Within thirty (30) days after the later of COMPANY's execution of this Agreement or MS' delivery to COMPANY of each Product licensed hereunder, COMPANY shall either accept such Product or report deviations from specifications in writing. COMPANY is not required to accept or reject test versions of a Product (e.g., Alpha or Beta test versions). Conformance to specifications as referenced in the applicable Exhibit C shall solely determine acceptability. If COMPANY does not report deviations from Product specifications within the thirty (30) day period, or if COMPANY ships the Product to a customer for revenue, COMPANY shall be deemed to have accepted the Product.

(ii) If COMPANY reports any deviations from Product specifications prior to acceptance, then MS shall have sixty (60) days to correct such deviations. Upon delivery of a corrected release of Product to COMPANY, COMPANY shall have thirty (30) days in which to re-evaluate the corrected release for conformance to specifications as provided in Section 4(a). If any deviations from specifications reported before acceptance are not eliminated in the sixty (60) day correction period, then as COMPANY's sole remedy (A) the Product may be retained at an equitable adjustment in price as may be agreed by the parties, or (B) the correction period may be extended as may be agreed by the parties, or (C) failing any agreement, COMPANY may reject the Product, and provided that COMPANY has rejected the first version of each released Product licensed under this Agreement, then COMPANY shall be entitled to a refund of one hundred percent (100%) of the payment due on signing as specified in Exhibit B and this Agreement shall immediately terminate. COMPANY shall not have the right to a refund of prepaid royalties, or to terminate this Agreement, if it has accepted any release of any Product under this Agreement.

(iii) MS represents that each Product meets the specifications referenced in the applicable Exhibit C. If COMPANY reports any deviations from specifications in a Product following acceptance and during the term of this Agreement, then as COMPANY's sole remedy MS agrees to use reasonable efforts to correct such deviations. COMPANY's notice of any deviations from Product specifications shall be made using the OnLine system or the notice provisions of Section 15. MS' obligations under this Section (iii) as to a particular release of a Product shall cease ninety (90) days after delivery to COMPANY of any subsequent release of Product which conforms to specifications as provided in Section 4(a).

(b) Authorized Distributor and/or Authorized Replicator, as applicable, shall provide warranty(ies), if any, for copies of Product provided to COMPANY by such Authorized Distributor and/or Authorized Replicator.

(c) If any Product licensed hereunder has not yet been released by MS, MS shall have no liability for failure to deliver such Product by any particular date or within the term of this Agreement. COMPANY shall not distribute for revenue any release of a Product until MS gives its written approval of such distribution by its OEMs generally.

(d) Except as expressly provided, this Agreement does not include technical support to COMPANY. Such support may be available pursuant to a separate agreement.

#### 6. LICENSE RESTRICTIONS.

(a) COMPANY shall market, distribute and license Product(s) only with those Customer System(s) listed on Exhibit C for the particular Product(s) and only inside the Customer System package. In addition to Product software installed on a Customer System, COMPANY may distribute only one copy of Product with each such Customer System. COMPANY shall also comply with the additional provisions, if any, provided in Exhibit(s) C with respect to Product distribution. COMPANY shall contractually obligate (e.g. by contract, invoice or other written instrument) its distributors, dealers and others in its distribution channels to comply with the foregoing. COMPANY agrees that it will discontinue distribution of Product to any such distributor, dealer or other in its distribution channel which does not comply with the foregoing.

(b) COMPANY shall not reverse engineer, decompile or disassemble any Product, except that in the European Economic Community, COMPANY shall have the limited right to decompile the Product solely to the extent permitted by the terms and conditions of Article 6 of the European Community's Directive for the Legal Protection of Computer Programs, OJL 122/42 (17 May 1991).

(c) COMPANY shall distribute and license the use of Product to end users only pursuant to its end user license agreement ("EULA"). COMPANY'S EULA may be a "breakthe-seal" end user license agreement or a signed end user license agreement. COMPANY'S EULA shall conform substantially to the Sample License Agreement attached as Exhibit A, except that it shall be adapted as commercially reasonable for any foreign jurisdiction in which COMPANY markets or distributes the Product.

(d) Where Product software is installed on the Customer System's hard disk or ROM, COMPANY shall:

(i) package the Product so that a notice placed over either the Customer System power switch in the "off" position or the power inlet connector informs the end user that turning on the Customer System indicates acceptance of the terms of the EULA; and

(ii) either (A) provide, in accordance with Section 6(a) above, a single copy of Product documentation with each Customer System; or (B) make the Product documentation available directly to COMPANY's end user purchasers as a mail order fulfillment item. Such Product documentation shall not be available through any other COMPANY distribution channel.

(e) COMPANY shall market each release of Product only under the version number assigned by MS to such release.

(f) COMPANY shall provide to its end user customers commercially reasonable access to Product technical assistance and shall prominently display its customer support telephone number in Customer System documentation and on each copy of Product package.

(g) COMPANY agrees to include an MS Product registration card in COMPANY's Customer System package for those COMPANY Customer Systems on which COMPANY installs Product on the hard drive or in ROM. MS agrees to negotiate in good faith with COMPANY a mechanism by which COMPANY can receive a listing of COMPANY's end users who have registered with MS. COMPANY must obtain the appropriate registration card from Authorized Replicator.

In the event MS establishes a Zero Dollar (US\$0.00) upgrade release royalty rate and COMPANY elects, subject to the above conditions, to take advantage of such rate, then COMPANY shall offer such upgrade release to its customers for no more than COMPANY's reasonable costs of materials, manufacture, postage and handling.
