- 3:30 - 4:00 Multimedia Pres to Reiswig

4:00 - ???? Wrap up open issues

i have intentionally put the financial discussions at the beginning of the day so that if things get out of hand we can table discussion and come back to it at a later time. paul, i assume you will take the lead on the discussion of the development plan for os/2.

rob, i talked to steve about the MM pres to reiswig. he said you could plan on 1/2 hr and if it ran a little longer that was OK. too many other issues to cover.

i ran this proposal by ralph dafoe today to see if they had any adds or deletions. he didn't think so but was going to confirm with lee.
