SUBJECT: Leopard Data 2

Re above.

Could I briefly point out that the dates to be placed on the labels of the packages that you contacted for Data 2, should be the 1st of May 1998 not the 1st June 1998 or any other date that I may have indicated. It is important that the labels do not appear to have been shipped in May not June for marketing reasons.

I hope this has not caused any problems.

Best Regards

Roger.
