Dear Jonathan:

I appreciated your continued interest in Egghead Discount Software as a distribution source for DR DOS 5.0. The summary that you provided was informative and beneficial. Thanks you for your input.

Unfortunately, I will not be able to further evaluate the addition of DR DOS 5.0 to the Egghead mix for several months. Our internal promotional priorities have been established and I have concluded that it would not be in Egghead's best interest to move forward on this issue at the current time.

I would like to leave the door open for further consideration and I would be happy to re-open the discussion in late July or August. I look forward to meeting you personally.

Best regards,
