

Choice of Online Stores

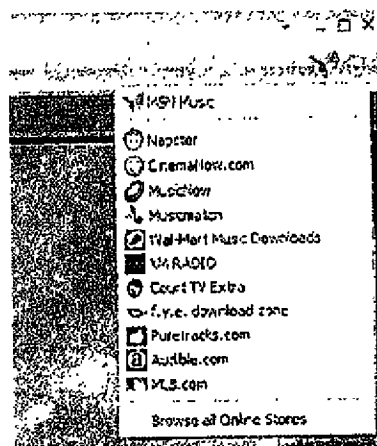

A world of music at your fingertips. One click access to the world's largest music collection. Buy a song from one store or an album from another—mix and match from a variety of stores and take it all with you.

With the built-in Digital Media Mall, you have the largest selection of music and video stores from within the Player. Whether you are looking to purchase music downloads, sign up for a music subscription, or even rent a movie, you can find exactly what you want from a variety of stores.

Look for the PlaysForSure logo on these online stores and match it to the PlaysForSure logo on the hottest devices. If you see the logo you know the music plays for sure. [Learn more](#)

Check Out Your Favorite Store—Then Browse the Rest

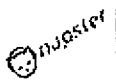

The Digital Media Mall lets you shop for the latest tracks from your favorite artists right in the Player. Select the store you are interested in and look for your favorite songs, movies, and videos. Whether you are shopping by price or selection, you are sure to find what you are looking for.

Choose from the following music and video stores that are in the Player today. Look for even more stores coming soon offering a wide range of digital media from music, movies, sports, and television.

United States
