## Directions on Microsoft

THE INDEPENDENT VIEW OF MICROSOFT TECHNOLOGY & STRATEGY

Directions on Microsoft provides an entire suite of services for executives whose job depends on knowing what Microsoft is doing and where it's heading. Our services include:

- Weekly News and Analysis
- OrgCharts
- Product Roadmaps
- Research Reports
- Advisory and Briefings

Directions keeps you abreast of Microsoft's strategic shifts, upcoming products and technologies alliances, and organizational changes—and helps you quickly assess the relevance to your business
