Objection to Notice of Cure Amounts in Connection
with the Assumption and Assignment of Executory Contracts and Unexpired Leases
In re: The SCO Group, Inc., *et al.* ("Debtors")
Case No. 07-11337 (KG) (Chapter 11) (Jointly Administered)
Creditor - EMC Corporation

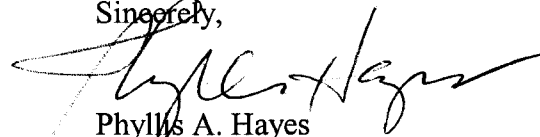

Dear Sir:

As agent for the creditor, EMC Corporation ("EMC") who acquired Data General Corporation ("DGC"), we object to the Debtors' proposed assignment and cure amount for a "Source License Agreement" with DGC. EMC is not aware of an ongoing contractual arrangement with the Debtors. In fact, service and maintenance support between the parties stopped almost two (2) years ago.

In order to properly evaluate the assumption and cure, EMC will need the Source License Agreement, together with a list of all equipment related to the Agreement. Without this information, EMC cannot agree to anything.

Please contact me if you have any questions.

Sincerely,

Phyllis A. Hayes
