*** HIGHLY CONFIDENTIAL ***
ATTORNEYS' EYES ONLY

VIDEOTAPED PERSONAL DEPOSITION OF:

HYOUNG SHIN PARK

Wednesday, February 29, 2012
Kim & Chang
Seoul, South Korea
8:15 a.m. to 11:31 a.m.

1 Reporters/Asia.

2 Would counsel please state their appearances
3 for the record and state whom you represent,
4 starting with the noticing attorney. And then
5 will the court reporter please swear the
6 interpreters in. And then will the attorneys
08:17:08 7 please make their opening statements.

08:17:08 8 MR. HO: This is Francis Ho for Apple. With
08:17:13 9 me is David Son.

08:17:14 10 MS. CARUSO: Margret Caruso of Quinn,
08:17:19 11 Emanuel, Urquhart and Sullivan for Samsung, et
08:17:21 12 al.

13 COURT REPORTER: Do you solemnly swear or
14 affirm that you will well and truly interpret
15 the questions propounded by counsel and the
16 answers given by the witness from Korean to
17 English and English to Korean to the best of
08:17:35 18 your ability.

08:17:35 19 LEAD INTERPRETER: I do.

08:17:36 20 CHECK INTERPRETER: I do.

08:17:37 21 MR. HO: We understand the court reporter is
08:17:38 22 not authorized to administer oaths in this
08:17:40 23 venue; nevertheless, we request that she
08:17:43 24 administer the oath. And we stipulate that we
08:17:45 25 waive any objection to the validity of the

11:04:05 1 functions based on the original proposal. And within
11:04:11 2 our company we call it as design follow-up.

11:04:21 3 Q. Do you think the iPhone looks substantially
11:04:24 4 the same to the F700?

11:04:37 5 MS. CARUSO: Objection, calls for a legal
11:04:38 6 conclusion, vague, calls for expert testimony.

11:04:57 7 A. Since they have a different form factor, so
11:05:01 8 I believe they are different designs.

11:05:06 9 BY MR. HO:

11:05:07 10 Q. What about the different form factor leads
11:05:09 11 you to believe that they are different designs?

11:05:40 12 A. Since the QWERTY slide function has been
11:05:47 13 added to it, and so according to that, the design
11:05:52 14 parting lines are different, too. And so if you look
11:05:57 15 at all the details you could say that it is different.

11:06:01 16 Q. Is there anything else that makes you
11:06:03 17 believe that the iPhone and F700 look different?

11:06:27 18 A. It is not what I believe, but I'm telling
11:06:29 19 you so because they are different.

11:06:38 20 Q. And are there any reasons, besides what
11:06:41 21 you've already told me, why you think that they're
11:06:44 22 different?

11:07:06 23 A. Well, the battery cover can be taken apart
11:07:25 24 and because of that the camera details are different.
11:07:31 25 And the side parting line is different. And the glass

11:07:34 1 part, the front surface of the glass part frame is
11:07:39 2 protruding a little, so that's different. And the CMF
11:07:51 3 is also different.

11:07:59 4 And since you have to place the dual speaker
11:08:11 5 on the front surface, the receiver and the speaker are
11:08:16 6 placed on the front, so that's different too.

11:08:22 7 Q. You said the front surface of the glass part
11:08:27 8 frame is protruding a little; is that right?

11:08:52 9 A. No, I didn't say that it was protruding, but
11:08:55 10 I meant it as it was actually subsided in a little.

11:09:01 11 Q. So does that mean that the top surface of
11:09:06 12 the phone is not completely flat?

11:09:11 13 MS. CARUSO: Objection, vague.

11:09:39 14 (Discussion held between Lead Interpreter
11:09:41 15 and Check Interpreter.)

11:09:41 16 A. No, what I meant was the basal [sic] part of
11:09:48 17 the front case which is protecting the glass of the
11:09:51 18 phone is protruding a little so even if you drop the
11:09:54 19 phone it protects the glass from breaking.

11:09:54 20 BY MR. HO:

11:10:04 21 Q. Do you mean protruding in what direction --
11:10:07 22 strike that.

11:10:08 23 CHECK INTERPRETER: May the interpreters
11:10:10 24 have a moment to confer, please.

C E R T I F I C A T E

(Seoul)
(South Korea)

I, Tracey S. LoCastro, Registered Professional Reporter, do hereby certify that the aforementioned witness was first duly sworn as noted by stipulation of counsel to testify the whole truth; that I was authorized to and did report said deposition in stenotype; and that the foregoing pages are a true and correct transcription of my shorthand notes of said deposition.

I further certify that said deposition was taken at the time and place hereinabove set forth and that the taking of said deposition was commenced and completed as hereinabove set out.

I further certify that I am not attorney or counsel of any of the parties, nor am I a relative or employee of any attorney or counsel of party connected with the action, nor am I financially interested in the action.

The foregoing certification of this transcript does not apply to any reproduction of the same by any means unless under the direct control and/or direction of the certifying reporter.

IN WITNESS WHEREOF, I have hereunto set my hand this 1st day of March, 2012.

TRACEY S. LOCASTRO,
Registered Professional Reporter
