United States District Court, Northern District of California  
450 Golden Gate Avenue  
San Francisco, California 94102

Re: *Oracle America, Inc. v. Google Inc.*, No. 3:10-CV-03561-WHA (N.D. Cal.)

Dear Judge Alsup:

I write in response to Google's February 15 précis letter seeking leave to file a motion for summary judgment of invalidity of Claim 14 of U.S. Patent No. 6,192,476.

As part of its continuing effort to streamline the case for trial and make best use of the Court's and parties' resources, Oracle has today by separate letter to Google withdrawn the assertion of Claim 14 of the '476 patent, the only claim that is the subject of Google's précis letter (and the only remaining asserted claim of the '476 patent). Accordingly, Oracle requests that the Court deny Google's request for leave as moot.

Respectfully submitted,

*/s/ Michael A. Jacobs*
