The Parties have filed multiple rounds of objections regarding the testimony of witnesses Bressler, Kare, Denison, and Schiller. *See, e.g.*, ECF Nos. 1462, 1466. The Court has already ruled on several of these objections on July 30, 2012, and July 31, 2012. *See, e.g.*, ECF Nos. 1511 and 1520. The parties filed additional objections to these same witnesses on July 31, 2012. *See, e.g.*, ECF Nos. 1518, 1521, and 1526. The parties then filed yet a third round of objections on August 2, 2012, covering many of the same witnesses, as well as adding a new witness, Mr. Forstall. *See* ECF Nos. 1540, 1541. The parties then filed a fourth round of corrected objections on August 2, 2012, regarding the same witnesses. *See* ECF Nos. 1542, 1543.

1 In light of these multiple rounds of objections on the same four witnesses, the Court will  
2 assume that the objections filed on July 31, 2012 have been superceded by the corrected objections  
3 filed on August 2, 2012, at ECF Nos. 1542 and 1543, and will only rule on these objections.

4 In the future, the parties may only file one set of objections and responses to a witness's  
5 exhibits. Additionally, for all objections related to untimely disclosures, or exhibits that have  
6 previously been stricken by either this Court or Judge Grewal, the parties shall indicate the docket  
7 number and the page number of the controlling order, as well as the docket number and the page  
8 number of the controlling motion to strike or exclude. Finally, in the future, should the parties  
9 need to file corrected objections, the parties must refile attachments with the corrected objections.

10 **IT IS SO ORDERED.**

11 Dated: August 2, 2012
